Traffic on Hillhouse Avenue . . .

To facilitate access to the construction site across from the Yale Health Services Building, the City of New Haven has implemented some changes in traffic and parking patterns on Hillhouse Avenue.

- A small portion of the street is now two-way.
- A barrier has been erected to allow easier truck access.
- Several parking spaces have been eliminated.
- A traffic light has been installed at the corner of Hillhouse and Trumbull.

These changes have meant traffic backups on Hillhouse at certain times of the day — particularly the later mornings — making it difficult to get in to the YUHS parking lot. If you do need to travel by car, please allow yourself extra time to find parking.

While the construction is underway, you can avoid delays by:

- Using parking lot #37 on Trumbull Street, completely avoiding Hillhouse
- Taking the Yale shuttle if you are traveling from a campus location. Schedules and information are available at <http://www.yale.edu/work/departments.html>.
- Walking, if possible.

YUHS Member Advisory Committee seeks retiree representative

Please read the enclosed letter and submit the name of an individual who is interested in serving the Yale retiree community for a two year period.

South Central Connecticut Area Agency on Aging

1-203-785-8533

1-800-994-9422

The agency can provide an in-house assessment and advise you on available options and services from which you might benefit that are located throughout their service area.

Save time . . . drop us a line

The Office of the Medicare/Retiree Coordinator is a resource for complicated billing issues; not a claims processing center. Due to the high volume of telephone and walk-in requests for assistance related to billing issues, we ask that you send your requests for assistance with billing issues to: Office of the Medicare/Retiree Coordinator, P.O. Box 208237, New Haven, CT 06520-8237. Reducing phone call volume will result in resolving issues in a more efficient and timely manner.

You can also drop off billing materials for which you need assistance either with the receptionist on the first floor of YHP, or with the Member Services Department on the fourth floor. You will not receive a phone call about the bills you drop off unless there are questions or more material that we will need from you. A written response will be sent to you within 10 days advising you what steps were taken to resolve the issue.

General questions or suggestions can be sent to:

Senior Health Fairs

The YUHS health fairs for Yale retirees held in Orange, Hamden and Branford in October 2003 were very well attended. Many thanks to the YUHS Departments of Health Promotion and Education and Member Services and to all of the vendors who participated and helped to make the senior health fairs so successful. Over 500 retirees received a flu and/or a pneumovax shot. Many area health providers/associations participated and offered information on how to improve daily living activities, safety issues, health assessments, hospice services, nutritional needs, medication counseling and diabetic foot care. YUHS also provided a healthy lunch, raffle prizes and entertainment (flower arranging, relaxation techniques, History of Radio). Those who attended the health fairs were delighted with the broad range of information and services offered. The health fairs will continue to be offered on an annual basis for Yale retirees.
