List any other medical conditions for which you are under treatment: _____

List any medications you take on a regular basis: _____

Immunity Status Information

(Submit copies of documentation for all vaccines, titers or TB testing to the [Health On Track](#) portal.. Failure to do so may delay your clearance)

The following requirements must be submitted as indicated below:

Level 1 (All rodents, rabbits, aquatics, birds, pet species and pigs) - Measles/MMR Immunity* and current (within 10 years) Tetanus Vaccination.

Level 2 (Non-Human Primates) - Measles/MMR Immunity* and current (within 10 years) Tetanus Vaccination. Also need annual Tuberculosis (TB) screening**.

Level 3 (Farm animals (eg sheep)- not pigs or poultry) - Measles/MMR Immunity* and current (within 10 years) Tetanus Vaccination.

Level 4 (Field studies and/or work with potentially hazardous/venomous species) - Measles/MMR Immunity* and current (within 10 years) Tetanus Vaccination. Rabies vaccination/immunity may be needed for certain species.

* Measles/MMR Immunity can be satisfied with documentation of two (2) MMR vaccines OR through blood tests to show immunity. If you need testing or vaccination, please reach out to Employee Health.

** Tuberculosis (TB) screening can be satisfied through PPD skin test or QuantiFERON blood test. If you need testing, please reach out to Employee Health.

The above information is correct to the best of my knowledge.
