DEPARTMENT OF EMPLOYEE HEALTH REQUEST FOR MEDICAL REVIEW ANIMAL HANDLER'S HEALTH HISTORY QUESTIONNAIRE

This form must be completed by all individuals handling animals as part of their research, teaching or training activities. The information provided will be used to determine the appropriate preventive health measures for animal handlers. New employees and students wishing to handle animals should check all appropriate boxes below after discussing their research with the appropriate supervisory personnel. The form should be completed in full and signed by the individual, uploaded to the *Health On Track* portal for review and processing.
